

Optional Excursion Sign-up

Kenya & Tanzania Safari: Wildlife & Human Origins in East Africa
January 7 – 21, 2025

The following excursion is available at an additional cost.

Hot-Air Balloon Ride

Experience one of the most spectacular activities in the Serengeti. Rise early and (weather permitting) embark on a scenic hot-air balloon flight to see these incredible lands from high in the sky, being able to pick out the Ngorongoro highlands to the east, or the waters of Africa's largest lake, Victoria, far in the west, look deep into the Maasai Mara in Kenya or just gaze at the rolling, acacia clad hills. Get picked up from your hotel with shuttle service in the first hours of the day (around 5 am) and transfer to the waiting area. The balloon ride lasts approximately one hour and includes breakfast. If you choose to participate in the balloon ride you will not miss any of the scheduled tour. The bus will pick you up from the site and then you will continue with the safari.

Price: \$645 per person, including breakfast

Please indicate if each person in your party would like to join this excursion or not.

Name: _____

- I will join the hot-air balloon ride
- I will not join the hot-air balloon ride

Name: _____

- I will join the hot-air balloon ride
- I will not join the hot-air balloon ride
