

Of Mammoths and Mountains

University of Wyoming Archaeological Field Experience

May 27 to July 3, 2025

Learn state-of-the-art field methods toward a career in archaeology. Participants will survey and excavate at three locations in Wyoming. All students receive the in-state tuition rate for six university credits. Financial support may be available.

Session 1: Colby Mammoth Site, WY

Session 2: Willow Springs, WY

Session 3: Grand Teton National Park, WY

Instructors:

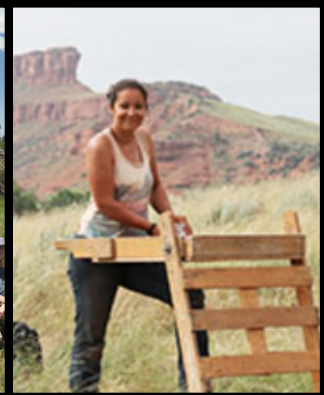

Dr. Randy Haas (whaas@uwyo.edu)

Dr. Bree Doering (bree.doering@uwyo.edu)
